ABOUT US :

Rosette Pharmaceuticals is one of the reputed healthcare company of Northern India which uses technology and Innovation to meet every day needs of all patients. We take great pride in providing a broad range of high quality, consistently reliable products that have earned the trust and confidence of leading doctors all around the country. From the selection of raw material to the stage of final packaging, quality control with maximum precision at every point is maintained. We endlessly look forward to innovative ways of offering molecules with latest drug delivery technology. Rosette Pharmaceuticals believes in building long lasting relationship with business associates, who are our trusted partners in organization's growth. We have close knit family of our dealers who are constantly striving hard to fulfill our commitment.

Established in 2006 by the highly motivated expert panel of the pharmaceutical industry, under the guidance of **Dr. Rakesh Mittal** with the aim of serving the industry to the best of his ability. Although in these years, its continuous research and knowledge has helped us to cross many milestones. Our Flagship Brands **ROSCLAV, ROTFIX, ROZET, LEZET-MT, RUSEN P, LYCOROS, SETXONE, SINTOP, BRINTOP, ROPYRO, ROXIB, SENSOHEAL** have gained wide acceptance among the medical fraternity and have become brand leaders in their respective segments. Rosette Pharmaceuticals is a reliable healthcare partner which is not only committed to developing innovative technologies but also to provide the best services to medical fraternity across the country, thereby improving the quality of a patient's life & helping them live a normal, happy and active life.

DIRECTOR'S NOTE You are your only Limit
Strive each day to become a better version of ourselves.

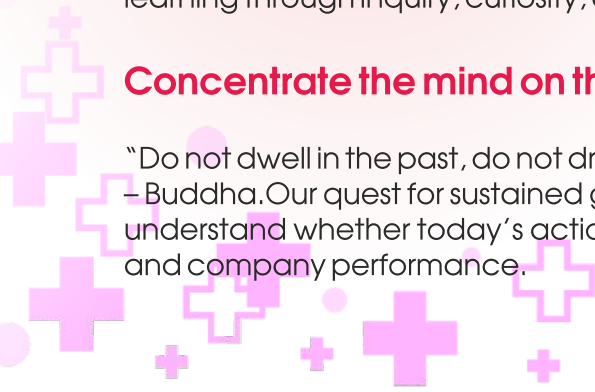

Our only benchmark is to become better and add more value to the lives of the people. At challenging times, we remind ourselves "While other birds fly away from the storm, an eagle spreads its mighty wings and uses the current to soar to greater heights". Achievers are not afraid of challenges rather they relish them and use them profitably – this is what we practice and preach.

Keep an Eye on the bigger Picture

Our main focus is making the real change and help in giving people a better quality of life, better quality medicines at affordable prices. Not even for a microsecond, we lose focus from our aim and all our efforts and decisions are aligned with the bigger picture. We encourage focus on continuous learning through inquiry, curiosity, and transparency with best of services.

Concentrate the mind on the Present Moment

"Do not dwell in the past, do not dream about future, concentrate the mind on the present moment."
– Buddha. Our quest for sustained growth stimulates innovation, places a value on results, and help us understand whether today's actions will contribute to our future. It is about the growth of our people and company performance.

GOAL

High quality and affordable medicines being our utmost priority, we aim to create health, well-being and wellness for everyone by providing world class health care solutions. Our entire efforts are towards providing total customer satisfaction through excellence in technology and services.

COMPANY PHILOSOPHY

Rosette Pharmaceutical is committed to bring innovative products for the healthcare professional to improve the health and well being of individuals. Our mission is to become a transnational pharmaceutical company through the development and introduction of a wide portfolio of branded and generic products in key markets. We constantly strive to reduce our costs in order to maintain reasonable prices.

OUR TEAM

At Rosette, quality is given more importance than quantity. Our professionals have rich experience in their domain and are selected on the basis of their qualification and industry experience. These professionals work with coordinated effort towards delivering best quality of Pharmaceutical products.

BUSINESS OPPORTUNITY

Our product range include **Antibiotics, Anti-cold, Anti-Ulcer, Analgesic, Multivitamin** supplements and our formulations are available in **TABLETS, CAPSULES, SYRUP, DRY SYRUP, SUSPENSION** Skin Products with innovative packing and promotional material.

QUALITY CONTROL

Quality Control is one of the fundamental and significant pillars of our company. We take sincere and calibrated efforts to ensure that our products have top class quality, safety, and efficacy. We follow stringent quality control procedures at every step right from the purchase of raw material till the dispatch of finished goods. We would like to be known as a company that helps to define the quality standards. We would like to ensure that each and every product reflects the stamp of world-class quality. Every drug is explored to its last particle with state-of-art quality assurance instrumentation which helps to formulate a medicine that reflects efficacy and safety.

SOCIAL RESPONSIBILITY

“Giving back to the society”

We very well understand our social responsibilities and practice continuously by way of doing regular co-operation to the underprivileged people of society. We try our best that whatever we do, we do it for the benefit of the people, society and nation.

Metformin & Glimepiride

Tablets

Indication

- ◆ Stimulates release of Insulin from functioning Beta Pancreatic Cells
- ◆ Very effective as initial Drug Therapy
- ◆ Less prone to cause Hypoglycemia.
- ◆ Efficacy not effected by age, gender, weight or race
- ◆ Reduces the dose requirement upto 38% in Insulin dependent patients

Glimepiride is a sulfonylureas which works by increasing the amount of insulin released by the pancreas in order to lower the blood glucose.

Metformin is a biguanide which works by lowering glucose production in the liver, delaying glucose absorption from intestines and increasing the body's sensitivity to insulin
